

COCHMM Meeting Invitation

The featured speaker will be

Christina Bailey

Health Care Program Manager
Heritage Environmental Services

Christina will discuss: The increased awareness of pharmaceutical waste handling and disposal is driving healthcare facilities across the country to reassess existing pharmaceutical waste practices. Presentation will cover EPA, DEA, DOT, and OSHA regulations, as well as recent enhances of Joint Commission standards. Emphasis will be placed on industry best practices for developing and implementing a compliant and sustainable pharmaceutical waste collection program and touch on the affects to consumers.

When: **Thursday, March 24, 2011**
Where: **Boehringer Ingelheim Roxane Inc.**
1700 Arlingate Ln
Columbus, OH 43228
